hereinafter called "THE CITY"

of the first part

and

The employees of The City of Winnipeg

Transit System, members of

AMALGAMATED TRANSIT UNION, LOCAL 1505

hereinafter called "THE UNION"

of the second part

WHEREAS the Union is the bargaining representative for certain employees of the City, and the City and the Union in order to maintain harmonious relations have agreed to carry out the provisions of this Agreement.

WITNESSETH: That the Parties hereto agree as follows:

SECTION 1 – GENERAL ARTICLES

ARTICLE 1 – DURATION OF AGREEMENT

THIS AGREEMENT shall take effect and be binding upon the parties hereto from the **eighteenth (18th) day of January, 2015**, and shall continue in force until the **twelfth (12th) day of January, 2019**, and thereafter from year to year, until revised or terminated as hereinafter provided. This Agreement may be revised or terminated by either party giving to the other party thereto not less than sixty (60), or more than ninety (90) days notice prior to the **twelfth (12th) day of January, 2019**, or any succeeding year.

If notice is given as provided herein for a revision of this Agreement, or for a new Agreement, the provisions of this Agreement will remain in effect until a revised or new Agreement is made, subject to any changes that may be agreed upon during negotiations.

Notwithstanding anything herein contained, no clause in this Agreement shall have a retroactive effect unless specifically so provided in such clause; otherwise the effective date of any clause shall be the date this Agreement is adopted by Council.

ARTICLE 2 – EMPLOYEE FILE

Employees may see their personal file in the presence of a Management Representative and at a time that is mutually agreeable.

ARTICLE 3 – GENDER TERMINOLOGY

Where, in any provision of this Agreement, a reference is made to his, him, he, man or other "male" terminology, it shall also be read as a reference to her, she, woman or other appropriate "feminine" terminology. Where this Collective Agreement makes reference to "Spouse" it shall be deemed to include same sex spouses and legally registered same sex partners.

ARTICLE 4 – MANAGEMENT RIGHTS

Nothing herein contained shall affect the right of the City to hire employees without interference from the Union and, subject to the provisions of this Agreement, to discipline or dismiss employees without such interference. It is also understood that this Agreement does not take away any of the managerial functions of the City nor does it take away any of the rights which the Union has under this Agreement.

ARTICLE 5 – UNION SECURITY

5-1 The City shall notify the Union of all employees engaged in classifications covered by this Agreement

5-2 With the exceptions noted below, the City agrees:

- a)** To deduct and remit to the Union from the wages payable to all employees with thirty (30) days or more service within the classifications represented by the Union, dues and assessments of such amount as the Union may direct from time to time.
- b)** In respect to all persons employed in classifications for whom the Union is bargaining agent, membership in the Union shall be a condition of employment at all times, during the currency of this Agreement.
- c)** The City will deduct and remit to the Union in respect of each employee who is required to become a member of the Union an initiation fee of such amount as directed from time to time by the Union.

Exceptions:

- a)** All temporary employees or employees engaged in work of a temporary nature. For the purposes of this Clause the term "temporary employees" means employees who have less than thirty (30) days continuous service. Employees engaged in work of a "temporary nature" means employees engaged for a specific job in classifications not covered by this Agreement, which may last more than thirty (30) days but which, when completed, will not require the further employment of those so engaged.
- b)** Supervisory employees of the rank of Foreman or above such rank who are paid on a weekly basis.
- c)** Any employee excepted by a decision of a Board of Arbitration.

5-3 In the event of an employee member of the Union losing his/her membership therein, and the City desiring to retain his/her services, the right of the City to continue such employee in its employment, failing an agreement between the Union and the City, shall be decided by a Board of Arbitration consisting of three (3) members, one (1) appointed by the Union, one (1) by the City and the third by agreement of the two (2) Appointees. Should these Appointees be unable to agree upon a Chairman, the Minister of Labour shall make the appointment. The decision or award of any two (2) Arbitrators shall be final.

ARTICLE 6 – SICK PAY PLAN

6-1 Accumulation of Credits

Effective January 1, 1974, and annually thereafter, all employees shall receive a Sick Pay credit of fifteen (15) days per year based upon actual days worked. Employees working less than a complete year shall have this credit prorated on the basis of one and one-quarter (1¼) days per month. In order to accumulate credits for a month, employees must work a majority of the regularly scheduled working days for that month. For the purpose of this Article, the following shall also be considered time worked:

- a) Time while in receipt of Workers' Compensation benefits up to a maximum of twelve (12) months.
- b) Time while in receipt of Sick Pay benefits up to a maximum of sixty-five (65) working days.
- c) Time while on paid Leave of Absence.

6-2 Deduction from Credits

Effective January 1, 1974, and annually thereafter, all employees shall have deducted from their accumulated Sick Pay credits one (1) day for each day of absence for which payment has been received under the Sick Pay Plan. Deductions for paid absences will be charged against the Sick Pay credits most recently accumulated. At no time will deductions from the Sick Pay credits exceed total career credits accumulated.

6-3 Payment of Benefit

a) Employees hired before January 1, 1997:

Upon death or retirement, an employee hired before January 1, 1997, or the employee's estate, shall receive a cash payment in accordance with the following formula:

- i) The number of unused Sick Pay credit days standing to the employee's credit which were accumulated during the last five (5) years of service, multiplied by the daily rate of the employee's regular classification in effect on the employee's last day of service, and
- ii) twenty-five percent (25%) of the remainder of the unused Sick Pay credits earned prior to the employee's last five (5) years of service, multiplied by the daily rate of the employee's regular classification in effect on the employee's last day of service up to a maximum of one hundred and thirty-two (132) days.

b) Employees hired on or after January 1, 1997:

Upon death or retirement, an employee hired on or after January 1, 1997, or the employee's estate, shall receive a cash payment of one (1) day per year of service for the first fifteen (15) years of service and two (2) days per year of service over fifteen (15) years multiplied by the daily rate of the employee's regular classification in effect on the employee's last day of service.

c) All employees will receive a cash payment on the basis of seven and one-half (7½) hours per day.

d) An employee may arrange to take pre-retirement leave of an amount equivalent to the total as calculated per above sub-articles.

6-4 Transit Sick Benefit Committee

A Transit Sick Benefit Committee shall be set up, comprised of three (3) members and a Chairman appointed by Management, and three (3) members appointed by the Union. This Committee will meet as required to discuss issues related to the Sick Pay Plan.

6-5 Definition of Sick Pay

An employee who is absent and is unable to perform his/her regular duties due to injury or illness for which compensation is not payable under the Workers' Compensation Act or the Manitoba Public Insurance Corporation Personal Injury Protection Plan or **Long Term Disability benefits**, will be eligible to receive his/her regular rate of pay to the extent of accumulated credits.

6-6 Documentation and Rehabilitative Employment

a) Documentation

To be eligible for Sick Pay an employee may be required to produce a certificate from a medical practitioner certifying that he/she was or is unable to perform his/her regular duties due to illness or injury. Such certificate may be required where an absence exceeds three (3) consecutive working days, or where the absence is the third (3rd) or subsequent occurrence, in any twelve (12) month period or where necessary to confirm the absence is for bona fide Sick Pay purposes. An employee on Sick Pay shall not engage in any activity that may prolong his/her recovery and absence from the workplace.

In some cases a medical certificate stating the employee is capable of performing his/her duties upon returning to work may be required where the safety of the employee, other employees or the public is a concern.

Employees absent for an extended period may be required to have a Return to Work Form(s) completed by a medical practitioner indicating the estimated date of return to work of the employee, the nature and duration of any work related restriction/limitations, and the employee's capability of undertaking modified regular duties or alternate duties. These may be required:

- ① once every twenty (20) days where no estimated date of return can be provided;

(ii) where the absence exceeds the estimated date of return.

b) Rehabilitative Employment

Employees must make themselves available for rehabilitative employment duties as soon as they are medically able. Should any disagreement arise as to whether any employee is medically able to perform regular, modified or alternate duties the matter will be referred to an independent medical authority agreed to between the parties or as determined by the Transit Sick Benefit Committee.

An employee who is otherwise qualified to receive Sick Pay who is placed in an alternate regular position of a classification that carries a lower rate of pay than his/her regular classification shall be entitled to utilize, upon request, Sick Pay credits in an amount equal to the difference between pre-disability earnings and the earnings received in the new rehabilitative position.

c) Reasonable Accommodation

The City and the Union jointly affirm that reasonable accommodation is the mutual responsibility of not only the employer and employee but of Management and Union as well. To achieve optimum placement of employees requiring accommodation, all components of an accommodation process must work in a cooperative and complementary manner.

1. Employees requiring accommodation shall be eligible for placement through the accommodation process. Included within this group are employees who:
 - a) are on sick leave; or
 - b) are receiving disability benefits; or
 - c) are receiving Workers' Compensation benefits; or

3. To facilitate the placement of eligible employees, Transit will maintain a list of eligible employees in order of date eligible for accommodation. Transit will endeavour to accommodate eligible employees within the Department in accordance with the principles of reasonable accommodation, including modification of current position, placement into a suitable vacant position, modification of a vacant position or rebundling of tasks between positions.

The Department will advise the Union of accommodations required and work jointly with the Union to facilitate the required accommodation. The

Department may take into consideration performance ratings and appraisals relevant to the potential accommodation as well as attendance records of the employee from other positions. If an accommodation cannot be made within Transit, a request for assistance will be sent to the Corporate Support Services Department Staffing Branch. After such request is made Transit will continue to search for a placement within the Department.

4. The Corporate Support Services Department Staffing Branch will maintain a list of all eligible employees for whom placement assistance has been requested, in order of date eligible to be accommodated. The Corporate Support Services Staffing Branch will endeavour to accommodate eligible employees throughout the City in accordance with the principles of reasonable accommodation as noted in Article 6-6(c)(3).

The Corporate Support Services Department Staffing Branch may take into consideration performance ratings and appraisals as well as attendance records of the employee from other positions.

The Corporate Support Services Department Staffing Branch will advise the Union of accommodations required and work jointly with the Union to facilitate the required accommodation.

5. In the event of a dispute regarding the suitability of an accommodation on the basis of medically verified capabilities, the matter will be referred to an independent physician agreed to by the parties for determination. The party disputing the suitability of the accommodation and requesting the independent assessment will bear the associated costs. The independent physician will determine whether the employee is capable of performing the duties and responsibilities identified and this determination will be final and binding on all parties.
6. An employee who is accommodated in accordance with Article 6-6(c)(3) above shall be afforded seniority in accordance with the provisions of Article 10-1.
7. If Management, during the probation period determines that the employee who has been accommodated in accordance with Article 6-6(c)(4) above does not meet the requirements of the position, they must provide two (2) weeks' notice to the Corporate Support Services Department Staffing Branch of their findings, outlining reasons and steps taken to alleviate their concerns. If during the initial probation period, the employee accommodated in accordance with Article 6-6(c)(4) above finds the position unsuitable, they must provide two (2) weeks' written notice to the Corporate Support Services Department Staffing Branch and Department Management, outlining their concerns.
8. A Department may, before expiry of the probation period, and after discussion with the Union and the employee, extend the probation of an employee who is accommodated in accordance with Articles 6-6(c)(3) or 6-6(c)(4) above for an additional six (6) months.
9. Accommodated employees shall continue to maintain their seniority within their previous classification and Department until such time as:

- a) the employee is found fit to return to their previous classification and Department; or
- b) the employee establishes seniority in a regular position.

6-7 Sickness While on Vacation

If an employee on vacation becomes ill or injured for a period in excess of three (3) days and a medical certificate is supplied that states the employee would not have been able to perform his/her regular duties due to such illness or injury he/she will be allowed to use Sick Pay credits for that period.

6-8 Use of Vacation Credits

An employee who has exhausted all Sick Pay credits may, upon submitting a written request, utilize for bona fide sick leave purposes any accumulated vacation credits.

Each employee shall receive a vacation with pay on the basis of one seven and one half (7½) hour day for each sixteen (16) days worked (as calculated in the preceding sentence) not exceeding one hundred and twelve and one half (112½) hours of vacation pay, except that for Regular Bus Operators vacation pay shall be equivalent to the straight time value of his/her crews. Overtime and Spread Time premiums will not be included in the calculation of vacation pay.

- a)** Time lost while serving on committees dealing with the City on matters of direct concern to the Union and the City.
 - b)** Time lost because of bona fide sickness, up to a maximum of sixty-five (65) working days in any vacation year. In the case of sickness, the City may require a medical certificate satisfactory to it.
 - c)** Holidays to be observed, as defined in this Agreement.

 - c)** Vacation pay of employees who have been engaged in higher rated work in a calendar year, shall be prorated on the basis of completed months of service in the higher rated work and their regular classifications. The required adjustment will be made in January of the following year.
 - d)** Night Shift Premium will not be included in the calculation of vacation pay for Plant and Equipment and Treasury employees.
- 8-4** Vacations shall be taken according to seniority, by classification, for all classifications covered by this Agreement. Operations Division vacations will be scheduled between the Sunday closest to January 1st and the Saturday closest to December 31st; Plant and Equipment Division vacations will be scheduled between the Sunday closest to May 1st and the Saturday closest to April 30th; Treasury Branch vacations will be scheduled in the same time period as the Plant and Equipment Division but subject to the Letter of Understanding Re: Treasury Vacations. Based on the requirements of the service, as many Bus Operators as possible will be permitted to take their vacation during the summer months.
- 8-5** Scheduling of Bus Operator vacation periods and the number allowed away in each period shall be determined by the Manager of Operations based on the requirements of the service. Taking into consideration the requirements of the service, long service Bus Operators entitled to more than two (2) weeks of vacation will be permitted to take the time in excess of two (2) weeks at a time mutually agreeable to the City and the Union. A copy of the proposed Vacation Schedule shall be forwarded to the Union Office at least fourteen (14) days before it is to be posted, to permit any necessary consultation between the Union and Management.

- 8-7** Time in excess of two (2) weeks is to be taken at a time which will cause the least interference with the work of the Division as determined by the Manager. In calculating years of service for this purpose, an employee shall be given credit for each month in which he/she worked, except that no reduction shall be made for absence due to illness until such absence exceeds three (3) months.
- 8-8** Employees on Workers' Compensation shall accrue vacation credits until such time as they have been off for twelve (12) calendar months for any specific claim or recurrence within six (6) calendar months of returning to work.
- 8-9** Vacation pay for terminating employees will be prorated in accordance with time worked in the current vacation year.
- 8-10** Vacation credits will not be adjusted for time served under suspension for ten (10) days or less in any one (1) vacation year.

ARTICLE 9 – HOLIDAYS TO BE OBSERVED

- 9-1** The following days will be observed holidays: New Year's Day – Louis Riel Day (or so designated by any other name) - Good Friday – Easter Monday – Victoria Day – Canada Day – **Terry Fox Day** – Labour Day – Remembrance Day – Thanksgiving Day – Christmas Day and Boxing Day. Any additional holiday proclaimed by the City of Winnipeg, Province of Manitoba or the Government of Canada. The Easter Monday holiday will be observed on Easter Sunday for the Operations Division only.
- 9-2** All holidays named above will be observed, and the holiday rate paid, on the day proclaimed as the holiday by the Civic, Provincial or Federal Government. Except that if holidays fall on Saturday or Sunday, Plant and Equipment Division employees who would not normally work on that Saturday or Sunday may elect a day off in lieu, on a day mutually agreeable between Management and the employee and in keeping with the requirements of the service.
- 9-3** Hourly rated employees who are laid off, or exercise their option of booking off, or where the holiday falls on a regular day off, will receive seven and one-half (7½) hours of pay, or their normal day's pay if their normal day of work is less than seven and one-half (7½) hours. Except for employees who normally work less than seven and one-half (7½) hours, employees who work on observed holidays will receive seven and one-half (7½) hours of pay plus time and one-half (1.5x) for all time worked, or on report, except that if time worked on the holiday, including time on report, exceeds seven and one-half (7½) hours, they will be paid double time (2x) for all time in excess of seven and one-half (7½) hours. Weekly rated employees who work on these holidays will be paid, in addition to the regular weekly pay, time and one-half (1.5x) for the time so worked up to seven and one-half (7½) hours – double time (2x) thereafter.
- 9-4** Every employee who does not work on any of the "Holidays to be Observed" in this Agreement that falls on a regular working day, shall be paid at least the equivalent of the wages he/she would have earned on that day had that day not been a holiday, notwithstanding that the employee is paid on a monthly, weekly, daily, hourly or other basis.

- 9-5** Employees will receive pay for observed holidays if they work full time on the last working day before and the first working day after these holidays. The Manager of the Division may authorize payment to any employee who works less than his/her regular shift on his/her last working day before or his/her first working day after the holiday, provided he/she has worked his/her full shift on the other of these two (2) days. An employee shall not be deprived of his/her pay for any of the above holidays if by reason of established illness, the employee is absent from work on either or both of the days immediately preceding or following the holiday. An employee who reports in person to the Supervisor of the Garage at which he/she should have reported (in the case of On-Street Relief, to the Fort Rouge Supervisor) within two (2) hours of his/her assigned starting time and who makes himself available for work on the last working day before and the first working day after the holiday will not be penalized the pay for the holiday.
- 9-6** An employee who is eligible for payment for an observed holiday will not receive Sick Pay for the same day.
- 9-7** An employee called out when off duty on an observed holiday shall receive, in addition to pay for the observed holiday, not less than two (2) hours and forty (40) minutes pay at time and one half (1.5x) unless called out less than two (2) hours and forty (40) minutes before his/her regular work day starts.
- 9-8** On all holidays a regular Bus Operator will not sign to work on the holiday if he/she would not have been scheduled to work had it not been a holiday. On all observed holidays, a number of senior Bus Operators (according to the number required) will have the option of working or booking off. Christmas Day and New Year's Day are to be treated as other observed holidays except that no employee shall be required to work both Christmas Day and New Year's Day unless they so desire. A minimum of seven and one half (7½) hours shall be paid for each signed holiday run at the holiday rate.
- 9-9** A Bus Operator who is scheduled to work on an observed holiday and does not report as scheduled will lose payment for the observed holiday unless either:
- i)** he/she is absent due to established illness; or
 - ii)** he/she reports for work in person within two (2) hours of his/her assigned starting time and makes himself/herself available for work, or performs work, for a combined minimum period of three (3) hours from the time he/she reports.

In the event that the Bus Operator is requested and agrees to stay and keep himself/herself available for work after satisfying condition ii) above, then the Bus Operator is placed on change-off.

In no event will the Bus Operator be obliged to stay more than two (2) hours beyond his/her original scheduled or signed time to finish that day, unless the Bus Operator agrees to do so.

9-10 Religious Holidays

Employees desiring to observe recognized religious holidays will be allowed to request to forego holiday pay on Good Friday, Easter Sunday (Monday for Maintenance and Treasury) or Christmas Day, and have this amount paid on alternate days of the year, whether worked or not.

In conjunction with this, employees may further request to have up to three (3) alternate days off. Where staff levels permit, such requests will be granted in order of seniority

provided the request is made, in writing, to the Director of Transit at least thirty (30) days prior to the religious holiday(s) to be observed.

ARTICLE 10 – SENIORITY

- 10-1** All persons engaged by the City will be temporary employees on probation until they establish seniority, as hereinafter provided. Seniority will be established when an employee completes six (6) months of continuous service, or eight (8) months in a twelve (12) month period, in any one (1) classification and the seniority date will be the date of entry into the classification subsequent to which seniority is established on either basis. Any employee engaged on construction work or other work where the employment is of a temporary character, will remain a temporary employee and will not establish seniority. Nothing in any section of this Agreement shall restrict the right of the City to release a probationary employee from service.
- 10-2** An employee who establishes seniority in a classification, voluntarily leaves that classification and subsequently re-enters that classification as the successful applicant to a bulletin for a permanent or temporary position, will have his/her seniority back dated on the basis of credits for calendar years, months and days worked in the position subsequent to first having established seniority. Credits will be applied to the most recent date of re-entry into the classification.

ARTICLE 11 – PROMOTION

- 11-1** When any vacancy occurs, seniority with efficiency shall govern promotion from the next lower class of similar work. Employees in all classes shall prepare themselves for promotion to the next higher class and the City agrees to give every reasonable opportunity to suitable men/women to train and qualify for a higher classification of work when men/women are required for such work.
- 11-2** In the event of changes providing for new classifications within the Transit System, every consideration will be given to filling these positions by present employees within Transit Divisions.
- 11-3** If, during a trial period of six (6) months, an employee promoted from a lower class to a higher class proves unsatisfactory in the higher class, he/she shall revert to his/her previous position and resume his/her seniority in that class. In the event that any man/woman is deemed unsatisfactory during the six (6) month trial period, the City agrees to inform the Union and give them the opportunity to discuss its reasons before the employee reverts to his/her previous position.
- A promoted or transferred employee shall have the right to return to his/her former position during the six (6) month trial period provided that he/she remains in his/her new position until such time as a suitable replacement is found.
- 11-4** All vacancies in the Plant and Equipment Division whether temporary or permanent will be bulletined within thirty (30) days and the City may fill the positions by appointment during the thirty (30) day period. However, no employee by reason of a temporary appointment shall gain an advantage over any other employee when applications are considered for bulletined positions.
- 11-5** Applicants who have previously established seniority in the classification being bulletined and who were subsequently laid off will be given first consideration in filling a permanent or temporary vacancy, based on seniority with efficiency. If no applications are received from employees with previously established seniority in the classification, employees will

be considered on the basis of seniority with efficiency in their present classification with first consideration given to employees with the earliest Plant and Equipment Division starting date.

- 11-6** In the event that no employees with established seniority apply for bulletined positions in the Plant and Equipment Division, employees working in the Plant and Equipment Division who have no established seniority in any classification will be given preference on the basis of Transit starting date and efficiency.
- 11-7** When no suitable applicants can be appointed from within the Plant and Equipment Division, applications from employees in all other classifications covered by this Agreement for a temporary or permanent position shall be considered on the basis of seniority with efficiency. Bus Operators shall be given consideration for temporary positions subject to manpower requirements in the Operations Division.
- 11-8** When an employee is promoted/transferred to a position senior to that which he/she currently holds, he/she will be placed at the closest wage step that provides an increase of fifteen dollars (\$15.00) biweekly higher than the employee's salary at the time of appointment. The promoted/transferred employee will be eligible for increments annually from the date of assuming the duties of the new position, except for training/apprenticeship positions.

Employees who enter a training/apprenticeship program will be held at the increment level entered until they have served the time required to move to the next increment.

ARTICLE 12 – BULLETINING VACANCIES

- 12-1** When a permanent vacancy occurs in a Union classification and where the promotion does not follow the regular seniority, it will be bulletined in the Division. Where there is a question as to whether or not the vacancy can be filled in the Division, it will be bulletined at the same time in other Transit Divisions if no other vacancy in the same classification has been so bulletined in the preceding six (6) months, but, in any case, employees in the Divisions will be given preference as provided in the Promotion Clause.
- 12-2** Nothing herein shall prevent a temporary appointment being made until a position is filled as outlined above. No temporary appointment shall be considered permanent until bulletined as provided above.
- 12-3** A temporary position shall be bulletined if the vacancy has been in effect for a period of thirty (30) days.

ARTICLE 13 – REDUCTION OF STAFF THROUGH LAY OFF

- 13-1** When men/women are laid off because of slack work, employees who have not established seniority shall be laid off first, efficiency prevailing. On further reduction, employees will be laid off in classifications on a seniority basis allowing the employees to work in other classifications where they have established seniority. Employees who have established seniority in more than one (1) classification may exercise the seniority of their choice. Laid off employees who exercise a seniority previously established in a classification will be placed on the seniority list for that classification on the basis of their previously established seniority date in that classification.

- 13-2** After six (6) months of continuous employment, no charge of inefficiency shall be used to retain the services of a junior man/woman over those of a senior man/woman in the same classification in case of reduction of staff
- 13-3** All employees with established seniority shall be given two (2) full working days notice prior to being laid off on account of reduction of staff.
- 13-4** When the City desires more men/women, the men/women laid off shall be taken back according to seniority, provided that such men/women have six (6) months of service or more.

- 14-2** Any employee leaving the service of the City for any cause, shall, upon application, be furnished with a reference as to length of service, and ability while in the City's service.

ARTICLE 15 – TECHNOLOGICAL CHANGE

- 15-1** A minimum of ninety (90) days before the introduction of any technological change or methods of operation which affect the conditions of employment, wage rates, or work loads, the City shall notify the Union of the proposed change. Any such changes shall be the subject of discussion between the Union and the City. Insofar as is practical and possible, no permanent employee shall be dismissed by the City because of mechanization or technological change providing he/she has availed himself/herself of the City's retraining program as soon as such retraining program is available. An employee who is displaced will be given the opportunity to fill other vacancies related to his/her skills and qualifications according to his/her seniority. No additional employees shall be hired by the City on a permanent basis until those employees concerned are notified of the proposed changes and allowed a reasonable training period to acquire the necessary knowledge and skills required for retention of their employment.
- 15-2** An employee who availed himself of the City's retraining program shall receive his/her former salary on a red circled basis for a minimum of fifty-two (52) pay periods.

ARTICLE 16 – SENIOR LABOUR MANAGEMENT COMMITTEE

This Committee shall be comprised of three (3) senior Union personnel and three (3) senior Management personnel. The Committee shall meet at least once a month to discuss common problems.

ARTICLE 17 – GRIEVANCES

- 17-1** Should any employee to this Agreement believe he/she has been unjustly dealt with or that any provisions of the Agreement have been violated, he/she may proceed with his/her grievance in the following manner:

Step 1

Within ten (10) working days of the occurrence in question or the consequences of the event in question the employee(s) may, with the assistance of a representative of the Union, if he/she so desires, take up the matter with the appropriate Supervisor in the Section within which the employee works.

The parties will approach the resolution of grievances in a problem-solving manner. For that purpose, any discussion and/or resolution of the grievance at this stage shall be "without prejudice" to either party and will not be used and/or relied on by the parties at subsequent steps of the grievance process and/or at other grievance proceedings between the Union and the City. To that end, the Supervisor shall render a decision within ten (10) working days of such consultation.

Step 2

Failing satisfactory settlement in Step 1, the grievance shall be reduced to writing, outlining the particulars of the grievance, the Clauses of the Agreement allegedly violated and the redress sought. The Union may, within ten (10) working days, submit the matter to the appropriate Manager and the matter shall be considered by the Union's Grievance Committee and such persons as may be appointed by the Manager and a decision shall be rendered within a further ten (10) working days.

Step 3

Failing satisfactory settlement being reached in Step 2, the Union may, within ten (10) working days of the decision, appeal the decision of the Manager to the Director of Transit for a decision within ten (10) working days.

Step 4

Failing satisfactory resolve of any grievance at the level of the Director of Transit, the Union may, within thirty (30) working days from the date of the decision of the Director of Transit, refer the grievance to arbitration.

17-2 The Union may originate a policy grievance on behalf of an employee or a group of employees, with respect to any matter of dispute which affects the general membership of the Union, and to seek adjustment with the City in the manner provided in the grievance procedure. Such a grievance shall commence at Step 2 of the grievance procedure with the appropriate Manager(s).

17-3 In the case of a Departmental recommendation for discharge, the employee concerned and the Union shall be advised in writing of the time and place that the matter will be dealt with by the Chief Administrative Officer or designate.

The employee concerned and/or the Union on his/her behalf shall be given the opportunity to make representation to the Chief Administrative Officer or designate at the time specified above provided they indicate in writing their desire to appear.

If not satisfactorily resolved at this level the Union Grievance Committee may refer the matter to arbitration in accordance with Step 4 of the grievance procedure.

If, after investigation, such employee is found not guilty of sufficient cause to warrant discharge or suspension, he/she shall be reinstated in his/her former position and paid for all time lost.

No report complaining of the conduct of an employee shall be recognized by the City as affecting the record of such employee unless proven after full enquiry, the employee being notified accordingly.

17-4 A maximum of three (3) members of the Grievance Committee excepting the President/ Business Agent and the Financial Secretary Treasurer who meet with the Chief Administrative Officer or designate on a discharge issue shall not suffer loss of pay if the meeting is held during their assigned working hours.

17-5 Arbitration

- a)** When either party requests a matter be submitted to arbitration, the request shall be made by registered mail addressed to the other party of the Agreement.
- b)** Arbitration shall consist of a single arbitrator.
- c)** In the event either party does not agree to a single arbitrator, or in the event the two (2) parties are unable to agree on an individual to serve as a single arbitrator, a three (3) person Board of Arbitration shall be established to deal with the question. One (1) member shall be appointed by the Union, one (1) by the City and the third, who shall be Chairman, by agreement of the two (2) appointees. Where the party receiving the notice fails, within twenty-one (21) days, to appoint a member of the Arbitration Board, or where the two (2) appointees of the parties fail, within fourteen (14) days, to agree on the appointment of a third member of the Arbitration Board, the Minister of Labour, upon the request of a party to the Agreement shall appoint a member on behalf of a party failing to make an appointment or shall appoint the third member as the case may be, or where the case requires, shall appoint both. The decision or award of any two (2) arbitrators shall be final. Such award shall be made within thirty (30) days of the date of the hearing.
- d)** The expenses and compensation of the arbitrator selected by each party shall be borne by the respective party, and the expenses and compensation of the Chairman of the Board of Arbitration shall be borne equally between the parties.

ARTICLE 18 – LEAVE OF ABSENCE

18-1 Leaves of absence may be granted only for compassionate or other very special reasons. Generally speaking, employees will not be granted leave to take other work or go into business for themselves.

18-2 Reasonable leave of absence without loss of seniority may be granted to employees on application to their Manager. An "Authority of Leave" form shall be issued in quadruplicate, one (1) copy being given to the employee and one (1) to the Union, which will state conditions under which leave is granted. Any leave of over thirty (30) days shall be approved by the Division Manager. Where possible, such requests for extended leave shall be sent to the Union at least three (3) days before effective date to permit discussion of the terms of leave.

18-3 Any employee who is elected to the School Board, City Council, Provincial or Federal Legislature or Government Board, or elected or appointed to office of the Union or the

Affiliated labour organizations shall include the Winnipeg Labour Council, Manitoba Federation of Labour, the Canadian Labour Council, the AFL and the CIO with allowances made for any subsequent name changes adopted by these organizations.

18-4 Officers of the Union shall be granted leave of absence on business of the employees insofar as the regular operation of the service will permit and their applications for leave of absence shall be given preference over any other applications for leave of absence on the same day. Whenever possible the Union will give twenty-four (24) hours notice of such requested leave.

18-5 An employee may accept employment with the City in a position outside the scope of this Agreement for a period of six (6) consecutive months without forfeiting his/her seniority and may return to his/her classification any time within the six (6) months, except if the position is temporary and not expected to become permanent, in which case the employee shall forfeit all rights, privileges and seniority provided by this Agreement effective the date the employee accepts such position.

ARTICLE 27 – RESPECTFUL WORKPLACE

- 27-1** The City and the Union jointly affirm that every employee in the Civic Service shall be entitled to a respectful and safe workplace. The environment must be free of behaviours such as discrimination, harassment, disruptive workplace conflict and disrespectful behaviour and workplace violence.

The principle of fair treatment is a fundamental one and both the City and the Union will support employees who find themselves in a position that could jeopardize an employee's dignity and well being or undermine work relationships and productivity.

27-2 Definitions

Although disrespectful behaviour, disruptive workplace conflict and harassment can be defined, in practice they overlap. The following definitions, although not all-inclusive, have been designed to accommodate the different types of concerns that may arise.

- a)** Disrespectful behaviour is improper behaviour that is unwelcome and/or inappropriate in the workplace. It may happen once or continue over time. It can include:

- rude comments and swearing as well as spreading unfounded or misinformed rumours that can damage people's reputations;
- actions that invade privacy or personal property or unwelcome gestures; and
- display or distribution of printed or electronic material that offends.

b) A disruptive workplace conflict is defined as an ongoing dispute or a communication breakdown between two or more individuals that impacts their ability to work productively and cooperatively in the workplace. This does not limit the right and responsibility of the supervisor to operate a productive workplace in a respectful manner.

c) Harassment is any behaviour that demeans, humiliates or embarrasses a person, and that a reasonable person should have known would be unwelcome. It may be a single incident or continue over time. Harassment includes:

- verbal abuse;
- actions such as touching or pushing;
- comments such as jokes and name calling or bullying;
- displays such as posters and cartoons; or
- abuses of power such as threats or coercion.

d) The Manitoba Human Rights Code prohibits harassment and discrimination related to the following characteristics: ancestry, race, ethnic or national origin, nationality, political belief, religion, family status, sex, including pregnancy, marital status, sexual orientation, source of income, and physical or mental disability.

The parties agree that there shall be no discrimination or harassment as defined by the Manitoba Human Rights Code. The parties further agree that there shall be no discrimination or harassment on the basis of place of residence or membership/activity in the Union.

e) Workplace Violence is a threat that may include but is not limited to any act, gesture or statement that may be interpreted as threatening or potentially violent. A violent act is one that causes or may cause physical harm to persons or damage to property.

27-3 If the Respectful Workplace Article is not being followed, the process outlined in the Letter of Understanding Re: Respectful Workplace will apply.

ARTICLE 28 – CRIMINAL LIABILITY

If a criminal action, including one related to a Highway Traffic Act offence, is commenced against any employee covered by this Agreement, and this action arises out of said employee's actions while in the performance of his/her duties and provided his/her actions do not constitute a gross disregard or neglect of his/her duties as an employee, then:

a) The employee upon being charged with a criminal offence, or upon being notified of the commencement of any criminal action against him/her shall advise the Director of Transit of such criminal proceedings and may request that the City appoint counsel to represent the employee in such criminal action;

- b) The Director of Transit upon receiving a request from an employee to appoint counsel shall refer the matter to the City Solicitor. Upon recommendation of the City Solicitor to the Chief Administrative Officer or designate, the City may agree to appoint counsel on behalf of the employee;
- c) If the City agrees to appoint counsel on behalf of the employee, the employee and the City Solicitor shall forthwith meet for the purpose of appointing counsel that is mutually agreeable to both parties. In the event the employee and the City cannot agree on who should be appointed as counsel, the City shall not be responsible for payment of legal fees;
- d) Only if the City agrees to appoint counsel and the City Solicitor and the employee agree on who shall be appointed counsel will the City be responsible for payment of legal fees as billed and approved by the City Solicitor.

Nothing in this Article shall preclude the City from commencing disciplinary action against the employee in relation to his/her actions and this section shall not be construed to mean that the City shall pay any costs, expenses or fees incurred by any employee during or as a result of the City's disciplinary proceedings against such employee.

ARTICLE 29 – CIVIL LIABILITY

If an action or proceeding is brought against any employee covered by this Agreement for an alleged tort committed by him/her in the performance of his/her duties and provided his/her actions do not constitute a gross disregard or neglect of his/her duty as an employee, then:

- a) The employee, upon being served with any legal process, or upon receipt of notification of any action or proceeding being commenced against him/her, shall advise the Director of Transit of such notification or legal process;
- b) The Director of Transit, upon being so advised by the employee, will meet with the employee and the City Solicitor forthwith and appoint counsel that is mutually agreeable to the City and the employee. Should the parties be unable to agree on counsel that is satisfactory to both, then the City shall unilaterally appoint counsel. The City accepts full responsibility for the conduct of the action and the employee agrees to cooperate fully with appointed counsel;
- c) The City shall pay any damages or costs awarded against any such employee in any such action or proceedings and all legal fees, and/or;
- d) The City shall pay any sum required to be paid by such employee in connection with the settlement of any claim made against such employee provided such settlement is approved by the City through the Office of the City Solicitor before settlement is finalized.

Nothing in this Article shall preclude the City from commencing disciplinary action against the employee in relation to his/her actions and this section shall not be construed to mean that the City shall pay any costs, expenses or fees incurred by any employee during or as a result of the City's disciplinary proceedings against such employee.

AMALGAMATED TRANSIT UNION, LOCAL 1505
RE: RESPECTFUL WORKPLACE

1. Introduction

Keeping in mind the principles of a respectful workplace as outlined in Section 1 - Article 27, issues shall be addressed quickly and thoroughly. At any time, all individuals shall have the right to Union representation. Individuals have the right at any time, to file a grievance under Article 31 or to file a Manitoba Human Rights Commission complaint.

2. Process

If Section 1 - Article 27 – Respectful Workplace has been violated, the following will apply:

Directly to Step 3

Depending on the nature of the incident, Management or the Union has the right to proceed directly to Step 3. All matters involving violence will proceed directly to Step 3. Most other situations will begin at Step 1.

Step 1 – Resolving the Problem on Your Own

Keeping in mind the principles of a respectful workplace, attempt to resolve the problem directly with the other party by:

- Raising the issue with the other party in a timely manner.
- Discussing the problem with them in an attempt to resolve the issue.
- Asking them to stop the offending behaviour.

If you want support or assistance in approaching the person, you may consult your supervisor, Union Steward, co-worker or Departmental Human Resources Representative.

If the issue involves your immediate Supervisor, you may contact the Departmental Human Resources Representative or your Union Representative. Discussions or resolutions in this Step are considered to be “without prejudice” to either party and will not be used by the parties at subsequent stages of this process or at other proceedings under Section 1 - Article 27 – Respectful Workplace.

If for any reason you are unable to approach the other person or, if after approaching them, you do not feel the problem has been resolved, proceed to Step 2.

Step 2 – Problem Solving

Report the issue to your immediate Supervisor. You may request the help of a Union Representative if you wish. As soon as possible, the Supervisor will conduct an assessment and attempt to resolve the issue in a problem solving and educational manner.

If unresolved, proceed to Step 3.

Step 3 – Resolution of Issue

The immediate Supervisor or the Union Representative or the employee shall report the issue to the Manager or designate. The Manager, or designate, in cooperation with the Departmental Human Resource Representative shall attempt to resolve the issue. Both parties recognize that the resources being considered are sensitive to the employees' individual needs and culture. Such resources may include: coaching, mediation, EAP counseling, justice circles, or any other resources deemed appropriate. Failing satisfactory resolution at this stage, individuals may exercise their rights under Section 1 – Grievances.

3. Communication and Follow Up

Management will inform all parties of the progress of the issue during the course of its resolution. When the matter is resolved, Management will notify the parties of its resolution as soon as possible and will quickly follow up with action required to restore and maintain a respectful workplace.

4. Malicious or Vexatious Complaint

Anyone filing a malicious or vexatious complaint under Section 1 - Article 27 may be subject to disciplinary action.

5. Review

The City and the Union agree to meet no less than twice per year to review the viability of Section 1 - Article 27 – Respectful Workplace and this Letter of Understanding. If both parties agree, changes can be made to this Letter of Understanding prior to the expiry date of the Collective Agreement.

RE: CHARTER BUS SERVICE

In order to enhance Winnipeg Transit's ability to meet the demand for chartered bus services while not jeopardizing regular service delivery, the Amalgamated Transit Union and the City of Winnipeg have hereby agreed to the utilization of retired Winnipeg Transit Bus Operators for charter service delivery. In doing so, it is agreed that this will not create a precedent or form the basis for discussion on part-time or casual employment of regular Bus Operators.

In the event of a layoff of regular Bus Operators, the use of retired Bus Operators would only occur if it were necessary in order to fulfill a charter booking that was accepted prior to the date of layoff and only after offering any charter work that they would perform, first to those Operators on layoff.

The following terms and conditions will apply to the employment of Retired Bus Operators (R.B.O.'s):

1. Work assignments will be limited to charter orders, not including regular charter work that can be contained in regular runs and signed for.
2. Where operational considerations permit, charter order work will be given to Spare Operators rather than R.B.O.'s.
3. The maximum number of R.B.O.'s that Winnipeg Transit will maintain is twenty (20). Applications will be accepted from any interested retired Winnipeg Transit Operator; however re-employment will be based on suitability, availability and previous work history.
4. Maximum hours of work will be twenty-seven (27) hours per week, per R.B.O. Work will be rotated among qualified R.B.O.'s to the extent possible, taking into account special service needs and individual availability.
5. The work and employment of R.B.O.'s is of a temporary character, and as such, R.B.O.'s will remain temporary employees and will not establish seniority. Notwithstanding this, Union dues will apply.
6. The wage rate will be equivalent to the prevailing Third 12 Months rate for Regular Bus Operators. No step progression will apply.
7. Unless specifically provided herein, no benefits or premiums will be provided other than those required by provincial employment statutes.
8. R.B.O.'s will supply their initial uniforms. Sufficient additional uniform items will be provided as necessary to ensure that a professional appearance is maintained.

The Union and City agree to this concept in a cooperative spirit and further agree to meet and discuss any issues that may arise during the term of this Agreement in an effort to resolve same and to develop expansions or improvements to the Program. However, if this proves unsuccessful, either party may withdraw from this agreement by giving to the other party not less than ninety (90) days notice in writing of its intention to do so. Any previously booked charter commitments will be fulfilled prior to the discontinuance of the use of Retired Bus Operators, but in any case not later than six (6) months following the date of notification.

RE: SPAREBOARD GUARANTEE

This Letter will serve to confirm discussion on the changes to report times, guarantee time and overtime as per the Memorandum of Agreement, dated April 21, 1988.

Effective the first Schedule Change after ratification and approval of the Agreement by the City and the Union, Spare Operators will be credited with full time while on report and will be paid at one half (1/2) their applicable hourly rate. In addition, Spare Operators will be paid overtime after eight (8) hours of work at the rate of time and one half (1.5x).

The City will continue to guarantee each Spare Operator seventy-five (75) hours pay based on the appropriate Regular Bus Operator rate for each two (2) week period provided he/she reports for work at his/her assigned time five (5) days per week and carries out the assigned duties.

In recognition of the foregoing, it is understood and agreed that what has come to be known as regular report time may be varied at the discretion of the Chief Timekeeper but would continue to be shown on day ahead sheets. The revised reporting times would reduce time spent on report by Operators.

It was also agreed that Spare Operators would not be penalized (lose guarantee) if they turn down work of more than ten (10) hours in duration. Time worked will include platform time, reporting, putting away time and full time spent on report.

Winnipeg Transit will also continue to exercise its option of cutting runs to minimize overtime by relieving one (1) Spare Operator with another at straight time if conditions permit.
